Dear Parent or Guardian,

Your child's transcript shows that at some point during high school he or she failed a core class or did not make up remediation hours for attendance. This has resulted in your child being behind on credits or unable to graduate with his or her cohort group. If the student has not previously retaken the class or recovered it in Credit Recovery, this will allow for them to receive these credits.

Summer school will be held May 29th – June 18<sup>th</sup> from 8:00 until 2:00. During this time, your child will be able to work on recovering any credits that he or she needs in order to get caught back up. You may have your child sign up in the high school office to attend summer school and fill out the attached form. If you have any questions, please call 996-3667 ext. 4

We will also be offering Driver's Education and ACT prep. Students should sign up in the office.

Breakfast and lunch will be provided. Breakfast will start at 7:30 with lunch at 12:00.

Please fill out the attached form for transportation and return to the office.

Thank You,

Michael W. Jones
