

Doniphan R-I School District
BEEP: Building Enriching Educational Partnerships

Mrs. Elizabeth Henze
Program Director

Dr. Jennifer Snyder
Superintendent

March 25, 2019

Dear Doniphan R-I Families,

You have indicated an interest in having your student attend the Summer Afterschool program. Our Summer BEEP program will begin at 2:00 p.m. and end at 5:30 p.m. You may pick up your student at any time during the evening, without penalty. We will be in session every day of Summer school. There is **NO** morning BEEP session during Summer school. Student pick-up will be at the elementary cafeteria. Bus transportation will be provided for students who are on our BEEP Summer routes. These routes are not exactly the same as the Summer school routes, and therefore, some parents may need to pick up their student, if they wish to attend Summer BEEP. We will let you know if your student is **not** on one of our routes.

We will be serving an evening meal, and the programming activities will focus on enrichment and learning while having fun! Some field trips are planned for the local area. Please sign the field trip permission form if you are enrolling your student.

Please fill out the enclosed application completely. Incomplete applications will not be accepted. Return the application to your student's teacher or the elementary office by Friday, May 10, 2019. Summer BEEP openings are limited, so turn in your application on time.

Please contact me if you have any questions.
